Welcome to Good Friends Fellowship!

THE ORDER - Mom When we say "MOM" what do we mean? When we say that one nation "mothered" another nation, what do we imply? Perhaps the most known mother in all of history is Mary, the mother of Jesus. Still, the Bible is filled with miracle moms: Eve, Sarah, Jochebed (the mother of Moses), Samson's mother, Hannah (the mother of Samuel), Ruth (the mother of the Messianic line). God has a unique and powerful covenant with mothers. He has chosen this way to explain Himself as caring and concerned. Yet in the scriptures *mother* is uniquely tied to *wife*. Today we will explore the PROMISE of mothers from the Father of eternity.
