## Welcome to Good Friends Fellowship!

### Heaven and Hell, the Revelation, Part VII:

No one likes to be corrected because no one likes to be wrong. Everyone likes to correct because everyone likes to be RIGHT. Often the human mind thinks very highly of itself – it is called EGO – **Edging God Out**. But the truth is God brings a CORRECTING voice to the end times Church from the book of Revelation. Perhaps that is why these 1<sup>st</sup> three chapters of Revelation are so controversial. Six out of seven of these WORDS from God to the Church are rebuking and correcting words. This morning we will continue in our daunting and trying series, REVELATION HEAVEN AND HELL, Part 7. The subtitle of the message today is, *GETTING THE HELL OUT OF THE CHURCH*. May we have an anointing to LEARN what the Spirit says to the Church.
